

**If you support a state budget that raises
revenue fairly . . .**

Come to the state Capitol at 10 a.m. on June 30

Invest in Minnesota is leading the charge to remind the public and lawmakers that the potential state government shutdown is a symptom of a larger problem—the lack of fairly raised revenue in a solution to budget shortfalls.

What: Invest in Minnesota action for revenue raised fairly

When: June 30 at 10 a.m.

Where: State Capitol South Steps

Visuals will represent the need for revenue and provide the opportunity for attendees to raise awareness about what is at stake. A brief program at 10:30 will speak to the dire consequences of a cuts-only approach.

Join us to demonstrate your support for a balanced approach that meets our state's needs.
